### **Admission Procedures**

- Application for enrolment is carried out by the completion in full of the approved application form, duly signed by parent(s) / guardian(s).
- Each year the Board of Management will decide on the date on which the school shall commence accepting applications for admission to the school (NOT prior to the 1<sup>st</sup> October in the year preceding the intake year) and the date on which the school shall cease accepting applications for admission to the school for the school year concerned. The process of enrolment, including the closing date for the receipt of applications, will be made public by means of an annual admission notice distributed to all feeder primary schools and on our website, [www.carrigcs.ie](http://www.carrigcs.ie). This notice will be published a minimum of 1 week prior to the school accepting applications for admission.
- Parent(s) or guardian(s) seeking to enrol a child in first year in Carrigaline Community School are requested to return a completed enrolment application form, with all necessary accompanying documentation, to the main school office before the closing date. Application forms will be available from the school's main office, from all feeder primary schools and downloadable from [www.carrigcs.ie](http://www.carrigcs.ie). An open night at the school will occur prior to the closing date.
- While recognising the right of parent(s) or guardian(s) to enrol their child in the school of their choice, the Board of Management of Carrigaline Community School seeks to balance this right with the rights of the existing school community. In particular, any decisions taken regarding enrolment cannot be prejudicial to the rights of the students already enrolled in the school.
- The Board of Management will determine the maximum number of children to be enrolled in first year in any one year, bearing in mind the following criteria:

#### **Criteria determining maximum number for enrolment.**

- The culture and ethos of the school community as defined in the mission statement.
- Availability of space in classrooms and limits to the number of students in each classroom dictated by health and safety requirements.
- The availability of sufficient space along corridors and in social areas.
- Availability of grants and teaching resources provided by the Department of Education and Skills.

- In the event that the number of children seeking enrolment in any year exceeds the number of places available, the criteria outlined in the table below will be used to prioritise children for enrolment. If, when any one of the categories below is reached, the full quota of places available would be exceeded if all applicants within that category were accepted the remaining available places will be filled by means of a lottery involving all the applications within that category. Any applicant not offered a place will then be placed on a waiting list based on that lottery. Applicants in all subsequent categories will be placed in order on the waiting list, based on a lottery within each category. Applications received after the closing date will be considered only after all applications received before the closing date, have been accommodated. The waiting list for each particular year will cease to exist on the last working day prior to the opening of the school for the next new school year. A condition of enrolment is that the application form be completed in full and be factually correct. Any incomplete application form will be considered invalid. Parent(s)/guardian(s) and the child applying for a place must give their consent in writing, to the school's Code of Conduct.

## 6. Oversubscription

In the event that the school is oversubscribed, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's annual admission notice:
